ABOUT GLOWING HEARTS CHARITY

Glowing Hearts Charity works to disrupt the cycle of poverty by providing programs that reduce barriers and support the mental health, growth, and development of school-age children and youth in Simcoe County.

We take a holistic, proactive approach focused on prevention through various initiatives. These include funding for psychoeducational assessments and follow-up support services (such as tutoring and behavioural support), mental health counselling, a fresh produce program, hygiene products, and a program focused on addressing mental health and clutter called Calm H.O.M.E.S. (Healthy, Organized, Manageable, Educated, Spaces). We also offer group instrumental music programs and the Simcoe Youth Choir, which have a low fee for those who can afford it and are completely free for those in need.
